

STATE AND LOCAL TAX

Our professionals include a team dedicated exclusively to state and local tax (“SALT”) matters. State and local taxes are becoming more complex every day, and the taxing jurisdictions are becoming more and more aggressive. Whitley Penn’s SALT professionals use a proactive approach to help clients navigate through the complexity and minimize the associated risks. So whether you need assistance with income and franchise taxes, sales and use taxes, credits and incentives, tax controversy support or other state and local tax matters, our professionals will help.

Dedicated. Knowledgeable.

Given the increased accessibility and communication, businesses now are often operating and selling to customers in many regions across many states. With this in mind, our team of professionals is ready to assist in helping you navigate this changing landscape and the state tax regulations across the country. Our SALT team has decades of experience providing businesses with the clarity that they need to fully understand state and local tax implications in order to plan successfully for the future. We are here to answer your complex questions. Contact our team today!
