

# Revenue Cycle Management

In the complex and ever-evolving landscape of healthcare effective Revenue Cycle Management (RCM) is crucial for maintaining financial health and operational efficiency. Our professionals offer comprehensive RCM advisory services designed to optimize your financial performance and streamline your operations.

We understand the unique challenges faced by healthcare providers, from coding and billing to claims processing, claims denials, and collections. By leveraging our insights and experience, we help you navigate these complexities and implement best practices that enhance your revenue cycle.

# Your Future is Our Focus

## Success Stories

### Hospital RCM Success Story

Created a new process for rural hospital facility of 25 beds to ensure all copays were being asked for and paid up front with patient access. This process improvement increased the revenue collected that went from \$500 collected monthly to \$12k average every month as revenue into the facility.

### Practice RCM Success Story

Assisted in updating the policy/standard operating procedure for billing processes with physician practice for revenue optimization decreasing the payment timeline from 21 days to pay to 10 days to pay.

## The Whitley Penn Difference

Whitley Penn continues to be one of the region's most distinguished public accounting firms. With offices in Texas and New Mexico, combined with our worldwide affiliation through HLB International, we are strategically positioned for continued growth both locally and internally.
