

FORENSIC, LITIGATION & VALUATION SERVICES

Forensic accounting, litigation support services, and business valuation have long been cornerstones of Whitley Penn. In recent years, however, Whitley Penn's Forensic, Litigation & Valuation Services (FLVS) group has grown into one of the largest of its kind.

Exacting. Experience.

Whitley Penn is uniquely positioned to deliver accounting, financial, economic, and statistical analysis for national and international clients. With over 100 years of combined experience, our testifying experts and supporting professionals, which include CPAs, MBAs, JDs, ABVs, ASAs, and CFEs, allow Whitley Penn to handle complex matters across a broad array of industries in an efficient and effective manner.

Our team is well versed in the litigation and trial process, having provided expert testimony hundreds of times in a multitude of venues across the country, including federal district courts, state courts, tax courts, and courts of claims, as well as before domestic and international arbitration panels.

Knowledge. Know-How.

Whitley Penn's range of services address a wide variety of business issues, both in and out of the context of litigation, including:

- Intellectual property
- Business interruption claims
- Business valuation
- Commercial litigation
- Family law
- Fraud & forensics
- Bankruptcy matters

Whitley Penn continues to be one of the region's most distinguished public accounting firms. With a strong base in Texas and a worldwide network affiliation via Nexia International, the firm is strategically positioned for continued growth both locally and internationally. Whitley Penn has been consistently recognized as "One of the Top 100 Firms in the U.S." and "Best of the Best" by *INSIDE Public Accounting*.
